Directions From M1 J38, follow signs to Barnsley on Huddersfield Road, after approx 1 mile turn left at the church towards Darton, follow the road and under the railway bridge, continue to Mapplewell (you will pass the Kings Head pub on your left), just after you pass the zebra crossing (Blacker Road) you will see the Co-Op on your right, turn into that road and continue to your next right after Fosters at "clambers" and go back over the road from the coop.

Parking Although there will be plenty of space in the Coop car park we had some complaints last year due to the amount of spaces used, please use the car park behind the back of the Co-op on after Mapplewell Drive (after Fosters), we have permission to use this car park but please bare in mind that the play area is open until 12 so do not block anyone in, non of the parking area's are supervised so parking is at owners risk.

Map shows our ground (G) and Parking area as (P), Blacker road is the main road through Mapplewell Village.
